Dear Mr. Kurkowski:

Re: *Michigan Department of Environmental Quality v Regulatory Compliance  
Services, Inc and Michael Kurkowski*  
Ingham Circuit Court No. 06-1093-CE

I am writing on behalf of the Michigan Department of Environmental Quality (MDEQ) to demand payment of the \$120,000 in stipulated penalties that you and Regulatory Compliance Services, Inc. (RCS) were assessed for violations of the February 13, 2004 Consent Agreement between you and the MDEQ.

As you know, the MDEQ filed the lawsuit referenced above against you and RCS in August 2006 seeking payment of the penalties. You failed to respond to the lawsuit and the Court entered a Default Judgment against you on February 7, 2007, thus entitling the MDEQ to the penalties it assessed and requiring you and RCS to pay them. You were sent a copy of the Default Judgment on February 12, 2007. A copy is also attached to this letter.

As provided in the Consent Agreement, payment shall be made by certified check payable to the "State of Michigan." You should indicate "RRD Project # 550000 00" on the check to ensure that the payment is applied to the proper account. Please remit your payment to:

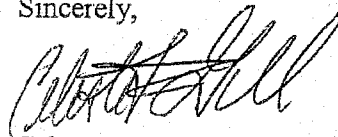

Michigan Department of Environmental Quality  
Revenue Control Unit  
Office of Business and Financial Services  
P.O. Box 30657  
Lansing, MI 48909

If your payment is not received by July 13, 2007, the State will take further legal action to enforce the Court's judgment.

You may contact me if you have any questions with regard to submitting your payment.

Sincerely,
